EduKit Standard Offer 2022

# VALUE CALCULATORS

---

# 8-Digit Pocket Calculator with Flip Cover

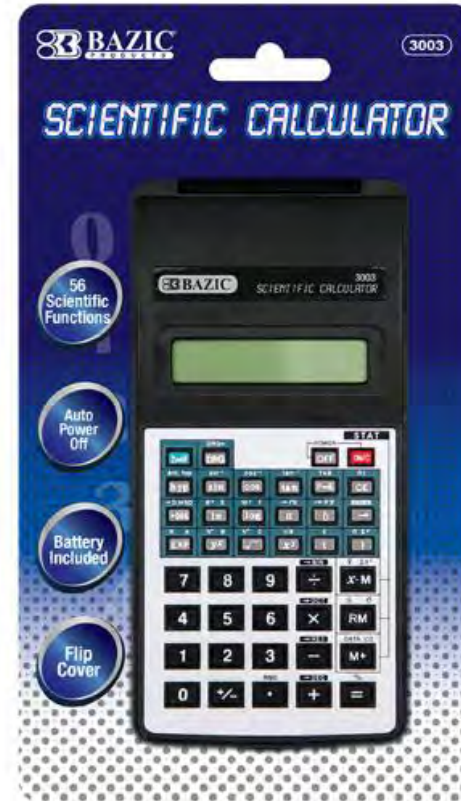

- Square root key
- Solar plus battery backup
- Battery included

**CALC-010V**

# 10-Digit Scientific Calculator with Flip Cover

- Square root key
- Battery included
- Auto power off
- 56 Scientific functions

**CALC-030V**

# BASIC CALCULATORS

# Texas Instruments® TI-503 Basic Calculator

- 8-digit
- Pocket-sized
- Roomy keyboard with rubber keys
- Battery powered for operation anywhere
- Automatic power drain (APD™) feature conserves battery life

**CALC-010**

# Sharp® Solar Pocket Calculator with Flip Cover

- 8-digit
- Pocket-sized
- Solar powered
- Features large LCD display
- Three-key memory, square root, percent, extra-large plus key, hard cover and DC/solar operation

**CALC-015**

# SCIENTIFIC CALCULATORS

# Texas Instruments® TI-30xa Scientific Calculator

- 10-digit
- Fraction features, one-variable stats, conversions
- Basic scientific and trigonometric functions
- Approved for use on SAT, ACT and AP exams
- Ideal for: General math, pre-algebra, algebra 1 and 2, general science

**CALC-030**

# Texas Instruments® TI-30XIIS Scientific Calculator

- 2-line display
- Basic scientific and trigonometric functions
- One and two variable statistics
- Edit, cut and paste entries
- Solar and battery powered
- Approved for use on SAT, ACT and AP exams
- Ideal for: General math, pre-algebra, algebra 1 and 2, geometry, statistics, general science

**CALC-065**

# Texas Instruments® TI-36X Pro Scientific Calculator

- 4-line display
- One and two variable statistics
- MultiView™ display shows multiple calculations at the same time on screen
- Select degrees/radians, floating/fix, number format modes
- Choose from 3 solvers: numeric, polynomial and system of linear equations
- Display a defined function in a tabular form
- Determine the numeric derivative and integral for real functions
- Perform vectors and matrices using a vector and matrix entry window
- Approved for use on SAT, ACT and AP exams
- Ideal for: Algebra 1 and 2, geometry, statistics, calculus, biology, chemistry, physics, computer science, college math, college science, college engineering

**CALC-095**

# Texas Instruments® TI-34 MultiView™ Scientific Calculator

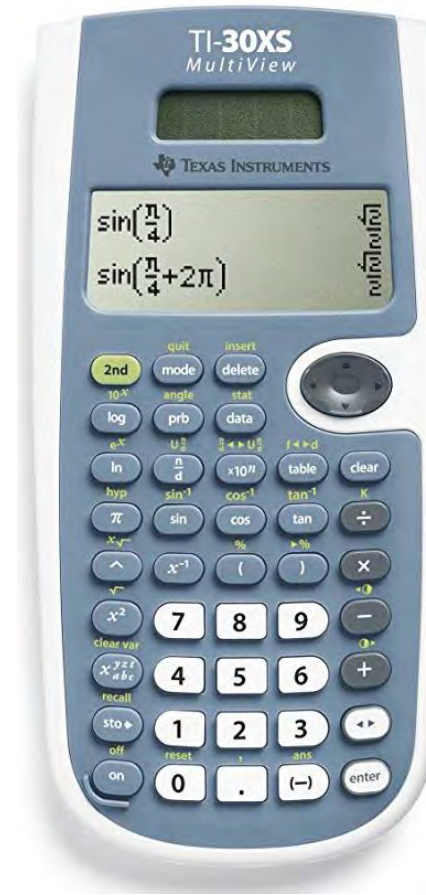

- 4-line display
- One and two variable statistics
- MathPrint™ feature
- Advanced fraction capabilities
- Edit, cut, and paste entries
- Solar and battery powered
- Approved for use on SAT, ACT and AP exams
- Ideal for: Middle school math, pre-algebra, algebra 1 and 2, general science, geometry

**CALC-067**

# Texas Instruments® TI-30XS MultiView Scientific Calculator

- Four-line display
- One- and two-variable statistics
- MathPrint™ feature
- Fraction/decimal conversion
- Fraction math
- Edit, cut and paste entries
- Solar and battery powered
- Approved for use on SAT, ACT and AP exams
- Ideal For General math, Pre-Algebra, Algebra 1 and 2, Geometry, Statistics, General science, Biology, Chemistry

**CALC-145**

# Casio® FX-300MS Scientific Calculator

- 240 built-in functions
- 2 Line display
- 9 variable memories
- Multi replay function
- Permitted on college entrance exams
- Solar Plus – calculator has battery backup in dim lighting
- Auto power off
- Slide on cover
- Batteries NOT included

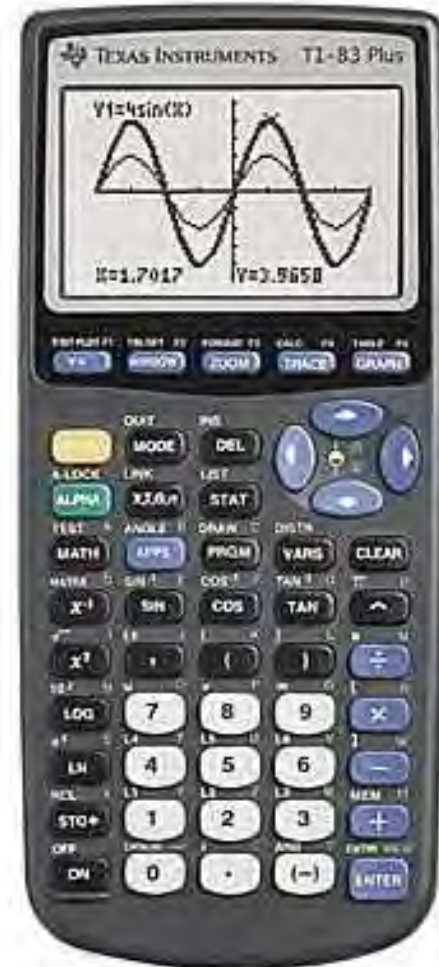

**CALC-120**

# GRAPHING CALCULATORS

# Texas Instruments® TI-83 Plus Graphing Calculator

- Large 16-character, 8-line display for graphs and charts
- Powerful 160KB upgradeable flash
- Approved for use on most standardized tests
- 7 graphing styles differentiate graphs drawn to ensure students understand different ways to display data
- Advanced statistics functions, including hypothesis testing and confidence intervals, are ideal for AP, honors, and college courses
- Preloaded with an array of educational apps, including StudyCards, Vernier EasyData, and more
- Financial functions, including time-value of money, cash flow, and amortization are ideal for business students or professionals
- USB (cable sold separately) and unit-to-unit connectivity (cable included) allow connectivity to computers
- Powered by 4 AAA batteries, which are included

**CALC-070**

# Texas Instruments® TI-84 Plus Graphing Calculator

- Texas Instruments® TI-84 Plus Graphing Calculator
  - USB cable included for downloading free apps and games
  - Preloaded apps: Cabri® Jr., Vernier EasyData™, StudyCards™ and more
  - Compatible with TI presentation tools (not included)
  - One-year limited manufacturer's warranty
- \* \*Capability available with a TI Presentation Link™ adapter

# Texas Instruments® TI-84 Plus CE Graphing Calculator

- 30% lighter and thinner than earlier generation TI-84 Plus models
- Vibrant backlit color screen
- Powerful 3.5MB flash memory
- Compatible with TI-84 Plus
- TI Rechargeable Battery
- USB cable connects to multiple devices
- Pre-loaded Apps and Images
- Approved for use on SAT, PSAT/NMSQT, ACT, AP, IB, and Praxis exams

**CALC-074**
